GENERAL INFORMATION

The first 20 registrations will be accepted.

ACCREDITATION FOR CONTINUING MEDICAL EDUCATION (ECM- only for Italian participants)

6 training credits are assigned to the congress for all medical specialities, nurse, pediatric nurse.

The release of credits is subordinate to the actual presence of the participant in the entire training event, verified through manual registration (entry / exit signature), upon filling in the questionnaire evaluation of the event and passing the learning test. At the end the certificate of participation will be issued online, while the ECM certificate will be downloadable online if the test is successful.

REGISTRATION FEE

The registration fee is € 100,00 and it includes participation in the practical sessions, congress kit, and participation certificate.

EACCME CREDITS

Has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 3 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.
